Disclaimer: Murphy Environmental Hollywood Ltd. will not be responsible for any accidents occurring on site due to the negligence of customers/visitors to our facilities or the provision of false information supplied in the completion of this H&S Agreement or subsequently by act or omission to act. In the event of an accident involving your company at our premises the assumption will be that the responsibility for that accident and any consequent damage or injury rests with the client company. Murphy Environmental Hollywood Ltd operates a safe working environment and uses skilled operatives and modern safe equipment at its premises with an exemplary safety record.

Important Notice: Where further legislation comes into effect which ought to give rise to the supply of other or additional information to support this agreement it is the client's responsibility to provide and be aware of such requirements. Where this H&S Agreement is in force and has not been resubmitted over a period of alteration or renewal of cover for Insurance Purposes the client is deemed to have confirmed by omission that all the information provided in the completed agreement remains valid and in force unless notified to the company Murphy Environmental Hollywood Limited to the contrary in writing, in which case MEHL reserves the right to withhold access to its facilities pending satisfaction that appropriate cognisance of all Health & Safety Requirements has been observed by the client company.

Due Care and Consideration: Murphy Environmental Hollywood Ltd have a duty of care to all its employees and neighbours. We respect and uphold their right to enjoy a safe and clean environment. Hauliers using our facilities are reminded to consider the neighbours on the roads they use to access these premises. To drive within the appropriate speed limit and take account of the road conditions and other road users especially those who are walking or using cycles. To slow down when travelling empty to reduce noise impact and generally apply common sense and consideration to the manner in which they drive and engage with the local environment and local population. Any complaints of inconsiderate road use or reckless driving may result in the driver and or the company being refused admission to our facilities.

Finally: It is the responsibility of the client/consultant to ensure that all persons engaged on their behalf know understand and obey all the conditions of this Health & Safety Agreement and the laws of the land as they are applicable and may be amended from time to time.
